## BALLET SCHOOL OF CHAPEL HILL SUMMER POLICIES

- The Ballet School offers a 10-week summer session. There is a minimum requirement of 6 classes over the summer.
- Payment for classes is due with registration. Camp and workshop registration requires a 50% deposit due with the registration form. The remaining balance is due prior to the first day of the camp or workshop.
- All students must register before taking class at the Ballet School. There is no registration fee, but \$50 will be charged to students who temporarily withdraw and then return to class within the summer session. Students who withdraw may lose their places in classes with waiting lists.
- Pre-ballet and pre-tap students are placed by age. All other students are placed in the appropriate levels by Ballet School faculty. New students at the Ballet School are requested to take a trial/placement class before finalizing registration. There is no charge for such a class if the student does not subsequently enroll in the school. Returning students are not eligible for trial classes.
- Signature on the Summer Class or Camp/Workshop Registration Form affirms that the child is in good health, has no medical condition that would prevent him/her from taking part in class activities, and authorizes the Ballet School to seek emergency medical treatment if no family member can be reached. Any information regarding the medical history of a dancer under the age of 18, of which the parent feels the Ballet School staff should be aware, must be submitted in writing.
- For information on recommended attire please see the registrar or visit our website.
- Withdrawals and other changes in registration must be submitted in writing to the Ballet School registrar at least two weeks prior to the start of a class or workshop in order to receive a refund. **Phone messages are not sufficient.** **Instructors are not authorized to validate changes in enrollment or fees. Class fees will not be refunded after the summer session has begun.**
- In case of serious injury or illness, credit toward future classes may be issued upon receipt of a written request and a doctor's note. Credit will be calculated from the date of the request forward.
- Classes or camps with fewer than five students are subject to cancellation. Fees for remaining classes will be refunded.
- Students who arrive late must observe from the hall until a break between exercises, and then ask the teacher's permission to join. Consistent tardiness is unacceptable. (If a dancer is sufficiently advanced, s/he is expected to partially warm-up in the hall.)
- Students are encouraged to make-up absences by attending another class of an appropriate level. Classes must be made-up within the summer session. Students must be currently registered in order to make-up. No refunds or credit will be given for missed classes, except as previously noted.
- Contact the Ballet School registrar for assistance with multi-class and/or workshop enrollment fee calculation.
- Boys Ballet Scholarship Program: Please inquire at the Ballet School for more information.
- The Ballet School does not offer instruction on a by-the-class or by-the-week basis except to visitors from outside the Triangle area.
- Summer session students may prorate fees for less than a full session with a six-class minimum.
- The Ballet School accepts personal checks, cash, debit and credit cards (VISA, MasterCard or Discover). Payments may be delivered to the school during office hours or sent through the mail. Credit card payments must be done in person with card. We do not send bills. There is a \$25 fee on returned checks charged directly by our bank.
- Classes missed due to a Ballet School closing for inclement weather may be made-up. Check your email, our website, call 919-942-1339 or listen to WCHL (1360am) or News Channel 11 (WTVD) for studio closing information.
- The Ballet School is not responsible for lost or stolen property.
