Children’s Classes

- The Ballet School operates on a 36-week instructional calendar from September through May. (The weeks of Winter and Spring Recess are not included in the 36 weeks.)
- Tuition for children’s classes is paid in nine equal monthly installments and is due by the 1st class of each month.
- Rectal costumes are distributed in mid-May; all accounts must be paid in full prior to release of rectal costumes.
- A $20 late fee is added if tuition is unpaid after the 15th. Non-payment of fees for two months or more is considered a breach of contract and may result in the student’s exclusion from class. Students may pay the year’s tuition upon registration or make payments for multiple months if they wish. No discount is given for advance payment.
- All students must register before taking class at the Ballet School. Children’s registration is complete upon the return of a signed Student Contract and payment of the first month’s tuition plus the rectal fee(s). There is no registration fee, but $50 will be charged to students who temporarily withdraw from children’s classes and then return within the school year. Students who withdraw may lose their place in a class with a waiting list.
- Students are not obligated by the Student Contract to remain enrolled for the school year, but they will be held responsible for fees indicated on the Student Contract until written notice of withdrawal or change in enrollment is submitted to the Ballet School. Verbal notice to the teacher or voicemail messages are not sufficient. Students will be charged a full month’s tuition for the month in which they withdraw. Rectal fees are refundable with written notice to the Ballet School prior to the start of Winter Recess.
- Pre-ballet and pre-tap students are enrolled according to their age as of August 31st regardless of prior dance experience. Pre-ballet registration for three-year-old students closes Nov. 30th. Students who are five years old and younger and are interested in joining a class after the start of the academic year may be required to take a trial class prior to registration. Classes for children that miss the August 31 cut-off date are added to the schedule by demand in October – January. Call the studio for further information.
- All other students are placed in the appropriate levels by Ballet School faculty. New students are requested to take a placement class before fall classes begin. Rectal costume ordering requires registration of new students to close on January 30.
- Contact your child’s teacher for appropriate class make-up options. After March 1st, classes are engaged in recital preparations and make-up classes must be arranged in consultation with Ballet School faculty.
- After January 1, repeated absences may result in a dancer being removed from the rectal dance at the discretion of the instructor. Rectal fees will not be refunded. Notify the Ballet School promptly if a child will be unable to participate in the rectal so appropriate accommodations can be arranged.
- Students who arrive late must observe from the hall until a break between exercises, and then ask the teacher’s permission to join. Consistent tardiness is unacceptable. (If a dancer is sufficiently advanced, s/he is expected to partially warm-up in the hall.)
- Signature on the Student Contract affirms that the child is in good health, has no medical condition that would prevent him/her from taking part in class activities, and authorizes the Ballet School to seek emergency medical treatment if no family member is present. Any information regarding the medical history of a dancer under the age of 18, of which the parent feels the Ballet School staff should be aware, must be submitted in writing.

Fees are discounted for students taking two or more classes per week. For example, if a child takes 2 or 3 classes per week, a discount is applied at 80% for the 2nd class and 70% for the 3rd class. Please contact the Ballet School registrar for assistance with multi-class enrollment fee calculation.

Accelerated Training Program (ATP): Acceptance into this program enables experienced dancers (Ballet 5+, Int/Adv. Contemporary Jazz, Tap 6+, Modern 3+) to receive a discount on fees for 5 or more classes per week. See the Ballet School registrar for an ATP application.

Ballet Focus: Ballet students placed in Ballet 5, 6, 7 and Advanced are eligible to apply for this program that offers an additional class per week and a discount on fees. For further information please contact your child’s teacher.

Boy’s Ballet Scholarship Program: Please inquire at the Ballet School for more information.

Adult Classes

- Adult classes run in four 9-week sessions from Aug, through May. Students must register at the studio and make full payment of fees for the session. Fees can be prorated for less than the 9-week session, but there is a six-class minimum.
- Adult fees will not be refunded after a session has begun. In case of serious injury or illness, credit toward future classes may be issued upon receipt of a written request. Credit will be calculated from the date of the request forward.
- Adult classes must be made-up within the session they are missed.
